

Ready-to-shoot

For clients who might not have experience working in a TV studio, building a set, creating a rundown, or for those who just must plan a filming in a matter of days, CPO offers the most rapid way to film or go live.

Our Studio 4 is the perfect ready-to-shoot spot. Located in the heart of Zurich, it is extremely easy to reach by all your local guests, as well as those traveling in for your filming.

The already built, 220+ m² stage not only allows for many guests, furniture, and props, but also lets you plan and film within just days. All you have to worry about is the content, the rest is handled by CPO.

Our experts will help every step of the way:

- Planning & creating a rundown
- Media training & rehearsal
- Professional TV makeup
- Creating on computer graphics
- Recording & livestreaming
- Post-production & delivery

All this while having plenty of customization options. Thanks to our giant video walls, 3 choice of set materials, variety of carpets and furniture, and RGB lights, Studio 4 can perfectly reflect your brand and style, turning into your own personal studio for the day.
